Ref: EDPSAM 201909 Centrair authorization

13 September 2019

### Procurement to Centrair.

Dear Partner,

This note provides authorization to Daher as a AH tier 1 to procure parts from "CENTRAIR" not yet in official list L030 03 001.

The perimeter doesn't concern of critical and important safety class, but limited to secondary classes (2 and 3) for all AH programs.

This authorization is given after AH audit in May 2019; the closure of 100% of corrective actions requested and the satisfaction of this manufacturer.

Skills hereafter can be from now ordered by Daher directly to Centrair.

1. Procurement – composite raw material
1. Procurement \_ components
2. Set up work instruction / industrial file (engineering)
3. Subcontracting

Daher surveillance of those skills will be detailed in a global Quality Surveillance Plan for all its non-official suppliers.

By waiting Daher is in charge of monitoring any deviation of the quality rules defined in General requirements for Suppliers Quality Assurance General Requirements ER070 06 01.

Activities of specials processes will be authorize by AH laboratory and followed by a dedicated qualification report. All points mentioned are a prerequisite to start serial manufacturing for AH.

Best Regards,

Sylvain Bichot
